Mary Roberts Rinehart : Long Live the King! before purchasing it in order to gage whether or not it would be worth my time, and all praised Long Live the King!:

32 of 32 people found the following review helpful. CharmingBy Valerie HarrisMs. Rinehart starts out as tho this is a child's story, but it seems to be a mixture of a children's tale, a light adult story and then a mystery/adventure. The story is written with charm and humor. Light reading, yes, but I found it hard to put down. I believe children could enjoy the story also. It is easy reading. The little prince is a very lonely little boy with a very big future. All he would like to do is have the life of a normal boy once in a while. His grandfather is dying, he is next on the throne and he is in danger. I have found Ms. Rinehart's writing to be excellent. Her books all seem to be quite different from each other, they are written in such a manner that the time period does not make the stories feel "old-fashioned".0 of 0 people found the following review helpful. Another Great BookBy Jacqueline R.I have yet to read a book written by

Mary Roberts Rinehart that I didn't enjoy. She grabs your attention on the first couple of pages, and keeps it to the end. 0 of 0 people found the following review helpful. Pass this one up
By katy
Confusing, slow and hard to follow.

About the Author
Often referred to as the American Agatha Christie, Mary Roberts Rinehart was an American journalist and writer who is best known for the murder mystery *The Circular Staircase*, considered to have started the Had-I-but-known school of mystery writing and the popular Tish mystery series. A prolific writer, Rinehart was originally educated as a nurse, but turned to writing as a source of income after the 1903 stock market crash. Although primarily a fiction writer, Rinehart served as the *Saturday Evening Post*'s correspondent for from the Belgian front during the First World War, and later published a series of travelogues and an autobiography. Roberts died in New York City in 1958.
