Highly recommend - hope there's a part 2!1 of 1 people found the following review helpful. It's a Hoot!By KarenTrue life adventures will have you chuckling, roaring and rolling on the floor. Most are 'adventures' with which one can easily identify, told with wit,

insight and tongue in cheek. Reflections of the author include plans gone awry, spontaneous pranks on unsuspecting college roommates, by-the-way asides on how to exterminate mice, wet tales of Spud the wonder dog, car keys trusted to a couple of strangers and at least one 'practical joke' that turned out OK. A thoroughly enjoyable read! 1 of 1 people found the following review helpful. A Great Book By NanaB This is a great book! I have not laughed and enjoyed a book this much for some time. This is a collection of short, true experiences that can be read individually, but I could not put the book down. Don't start reading it before bed - you might just find yourself staying up all night reading it!

"I'd turn back if I were you" might have been sage advice but then I wouldn't have all these great adventures to share! Christians should smile a lot because they have so very much to be happy about. I hope you will find these stories from my life funny enough to put a smile on your face so that the people you meet will want to know more about the Jesus you love!
