**From HarperCollinsChildren'sBooks : Loopy Limericks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Loopy Limericks:

A collection of wonderfully hilarious, ridiculous rhymes put together by a master compiler, well known for his collections with OUP. John Foster is a poet in his own right and is highly-regarded in both the trade and in schools for

his brilliant collections. LOOPY LIMERICKS is the first of 4 sparkling new collections of nonsense poems which mark the return of Collins Childrens Books to poetry publishing. John Foster is a well-known poet, teacher, and his book WHAM BAN ORANGUTAN is hugely popular (OUP), and the title of this was taken from his own poem. He is highly-regarded both in the trade and in schools. The books use both new and existing material with humorous line illustrations throughout. Well-known poets included, such as: Roger McGough, Edward Lear, Michael Palin, Kaye Umansky, Spike Milligan and many more. It is divided into fun sections under the headings Animal Crackers, Dotty Dressers, Dreadful Disasters, Ghostly Groans, Musical Madness, Monstrous Moments, Potty People, Ridiculous Romances, School Sillies, Travellers Tales, Tummy Troubles, Vampire Bites and Last Writes.

Completely Crazy Poems No one can fail to dip into this book and come away without a cheeky smirk on their face. One to chase away the winter blues. Funday Times Ridiculous Rhymes Fantastic stuff to introduce youngsters to poetry before they go all silly and wander like clouds. Dorset Echo A Century of Childrens Poems It is a compelling mix of all genres and treatments, and readers are sure to be enriched whether they dip in and out of the book or progress through it in a structured way. Enticing and rewarding, this collection gives a real insight into the superb variety of poems on the 20th century. Bookseller About the Author Well-known author/poet/teacher, John Foster promotes his books around the country and often, too, in Australia and New Zealand. He is a delightful and intelligent man who is well-known in poetry circles and to schools and libraries as well as to the trade.
