Oscar Wilde : Lord Arthur Savile's Crime before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord Arthur Savile's Crime:

1 of 1 people found the following review helpful. Subtly Humorous Outstandingly IntelligentBy Masoud Abarghouei NejadOscar Wilde has to be among few writers who can keep you smiling, thinking, wondering, entertained and amazed at the same time. The book starts with the title story which is funny in being outrageously silly while boasting a rich text. Each story is original and shows off Wilde's great hand in creating interesting and round characters. The last story is on a whole different level It must be said. How about Cyril Graham's theory that managed to convert me as well. All in all this is as good as a collection of short stories could get. 5/5.0 of 0 people found the following review helpful. Great collection of storiesBy AnonymousThese stories are fun, witty and short. Excellent for a lazy afternoon of reading. I would recommend to anyone who wants to evaluate Oscar Wilde's style before committing to one of his novels.1 of 1 people found the following review helpful. So much fun!By KRGOscar Wilde never fails to surprise and

amuse! Cleverly imagined and, as always, ingeniously written. One of the few writers who can give a character life and depth with just a few strokes of his pen. I especially loved the story centered around Shakespeare's sonnets.

Lord Arthur Savile's Crime (1891) is a satirical crime story by Oscar Wilde that satirizes the upper classes of late Victorian England. Lord Arthur Savile is engaged to the lovely Sybil Merton, but a chiromantist reads Arthur Savile's palm and tells him that, in future, he will commit a murder. Lord Arthur wants to marry, but he decides to commit the murder before marrying, so that his wife may not be caused to blush for his wrongdoing.

"Wilde's usual cutting wit and upper-class urban setting is combined with a rather dark undercurrent...A chilling tone, as men set out to murder, women sacrifice themselves secretly, and literary passion turns deadly." --The Literary Omnivore "(Audiobook narrator) Jacobi brings listeners directly into the parlors or manor houses of each story. Using vocal color and tone, he effortlessly describes the scenes and the characters - not as an outside observer, but as an unseen guest, perfectly at ease with the manner of the times. With equal ease, he delivers Wilde's satire, revealing the wit that makes the author's work endure." --AudioFileAbout the AuthorKnown for his barbed wit, Oscar Wilde was one of the most successful late-Victorian playwrights and a great celebrity. The Importance of Being Earnest and The Picture of Dorian Gray are among his best known works. He is perhaps most famous for his trial, in which he eloquently defended homosexual love and was sentenced to two years of hard labor.From AudioFileWith the smooth assurance of Lord Arthur himself, Derek Jacobi delivers a superb performance of eight of Oscar Wilde's stories. Jacobi brings listeners directly into the parlors or manor houses of each story. Using vocal color and tone, he effortlessly describes the scenes and the characters. Not as an outside observer, but as an unseen guest, perfectly at ease with the manner of the times. With equal ease, he delivers Wilde's satire, revealing the wit that makes the author's work endure.
