**Johanna Basford : Lost Ocean 2017 Wall Calendar: An Inky Adventure and 2017 Coloring Calendar** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lost Ocean 2017 Wall Calendar: An Inky Adventure and 2017 Coloring Calendar:

Johanna Basford's amazing 2013 bestseller Secret Garden fueled the adult coloring craze, selling an unprecedented number of copies. It was born out of the self-described "ink evangelist's" passion for the hand-drawn line and its inherent sense of energy, which is impossible to duplicate via computer-generated graphics. Her initial bestseller was quickly followed by two more as her fan base and the coloring phenomenon grew. Along the way she's lent her art to such corporate clients as Starbucks, Absolut Vodka, and Chipotle. No matter where it's encountered, her art evokes fancy in the viewer, inviting closer inspection of its hidden intricacies. Waves of calm will greet users of this spiral-bound calendar each month as a different image from Johanna Basford's best-selling Lost Ocean offers them the

chance to creatively color or just lose themselves in the amazing art.
