Mr Mark Chase : Love at First Slice before purchasing it in order to gage whether or not it would be worth my time, and all praised Love at First Slice:

0 of 0 people found the following review helpful. DisappointedBy Paul TorralvaThe read was monotonous. Could hardly finish it. Not as advertised. The story line was tedious and rambling. Would not recommend unless sleeping pill is the objective.0 of 0 people found the following review helpful. Five StarsBy Villarinho PereiraGenial!0 of 0 people found the following review helpful. Love at First Slice-A good fun read!By Peggy WGreat fun read. A friend

recommended this. You don't have to like golf to enjoy this book! Good summer reading!

For club golfers: a golf book with a sense of humor. Are you obsessed with your handicap? Phil Hunter is. But that won't stop him being ejected from his beloved golf club unless he improves soon. During a key competition the sports journalist tragically causes the death of his boss, Sir Laurence Burnham. Tortured by guilt, Phil is forced to confront his demons. He embarks on a journey of self improvement to become the best golfer he can be and win the forgiveness of Burnham's beautiful widow, Caroline. But all is not as it seems at the exclusive club and Phil becomes trapped in a web of deceit and blackmail at the hands of his tormentor, embittered former detective Ted Moss. As Hunter becomes the hunted, he must find a way to overcome the dark forces threatening to destroy him and his club. Can he make the recovery shot of his life or will he end up in the rough? As seen in *Golf Digest*: 'Moral of this story: If you kill your boss, you can rely on golf to recover'. Cliff Schrock, *Golf Digest*. This is a humorous golf novel which looks at golf from the eyes of an amateur who has endured years of golf instruction and is obsessed with the endless pursuit of a better game. Yet he is still desperate to escape the lows of mediocre golf and a constantly ruined card. Set against the backdrop of a British golf club, with some dark humor it explores the vital issues of a club golfer; handicaps, gadgets, club life. As the story unfolds it asks how can a man fall back in love with a game that's led him to rock bottom. Can positive thinking really help him improve or must he rely on hope alone? If you loved 'Fever Pitch' for reflections on man's obsession with his sport and 'Golf in the Kingdom' for an exploration of how golf can bring healing, you'll enjoy 'Love at First Slice'.

"Moral of this story: If you kill your boss, you can rely on golf to recover. Phil's way back to the good times is through golf – playing it well and letting tranquility flow back to him. His golf journey...is similar to how our so-so, even bad, golf can only be handled with laughter – even the dark humor variety – so we don't lose our minds... In that sense, we can all relate to the confusing and twisting paths that golf takes us on the way to desired improvement." Cliff Schrock, *Golf Digest*. "The storyline and plot are interesting and what Phil undergoes in order to improve his game and his life is certainly a funny tale. If a reader is looking for a funny but dark story, this novel will fill that need...golfers like me who struggle with their own games at times will also enjoy it because Phil is one of us." Lance Smith, *sportsbookguyblog* About the Author Mark Chase works in London and is an obsessive golfer at the weekend, or any day of the week if he can escape the day job. *Love at First Slice* is his debut novel. Golf is his meditation although he hasn't yet reached his Zen and has wanted to reach for the circular saw far too often. After a particularly frustrating round he began to wonder why he, and millions like him, keeps coming back for more. The fact he will never wear a green jacket except in his dreams still doesn't dampen his hope that he will improve, perhaps even reaching a single figure handicap if he lives long enough. *Love at First Slice* explores many of the themes golfers will recognise: hope, the will to improve, suffering. Then there's the joy of hitting that great golf shot. But when all else fails there's always beer and salties and the laughs you share with friends. Mark lives in Surrey with his wife and tries to play as much golf as possible.
