The boys' delightful romp continues.By NikiThis yaoi is really cute and of course explicit. I just love all those vivid facial expressions. Azuma and Mizuki continue their delightful romp in Vol 2. Told from Mizuki's viewpoint, their stories are entertaining, playful, with lots of sex of

course. Akira and Izumi join in with their own story which reminds me of Ougi's "Brother" but a lighter and cuter version. The plot is not deep but the boys' lively interaction, delightful antics and the lovely and extremely cute artwork makes this series very enjoyable. The volume ends with the 2 couples' delightful double date, where we are also introduced to Azuma's siblings.

Gifted with intelligence and looks, student council president Azuma confessed his love to Mizuki, and with a little push, they "successfully" started dating. The entire school has even officially recognized their relationship. So you would expect things to be progressing smoothly... This is the second installment of the super popular series about Mizuki, with his gradually changing feelings, and Azuma, who is somehow confident he can make Mizuki drunk on life and his love.
