Page after page of wonderful, delightful illustrations for your very dear friend to color. I was eager to give this to my friend. Each page has a quote that, in conjunction with all the quotes in the book, sums up the meaning of friendship and the character of a true friend. My friend was delighted to receive this. I highly recommend it. 5 of 5 people found the following review helpful. Sometimes adulting can be

funBy CkellyAdult coloring books....this one is awesome!For real, does it get any BETTER!!!!I bought this one for my sister in law for her 30th birthday (which is just a funny gift to give someone on their 30th right?)I swear, we colored all night long! it was a crazy Saturday night!7 of 7 people found the following review helpful. Awesome for a gift.By Jenny WennyGreat gift for a friends birthday. The pictures are beautiful, and the paper is high quality.

Love You Friend: The Gift Of ColouringThe perfect anti-stress colouring book for friendsGive your friend the gift of relaxation with this inspiring anti-stress colouring book.Promoting relaxation the beautifully detailed black and white illustrations will guide her through a journey of de-stressing art therapy, while the inspiring quotes celebrating friendship will remind her just how important she is to you.This lovely gift will take your friend's free time into a new and thoughtful dimension.Each of the individual drawings is specially printed on a single page with the reverse left blank so they can be cut out and kept to create a picture perfect for framing or displaying.Whether she already enjoys colouring or hasn't picked up a pencil since she was a child, she will find something here to love.You may also enjoy:Love You Mum: The Gift Of ColouringLove You Dad: The Gift Of ColouringLove You Grandma: The Gift Of ColouringLove You Grandad: The Gift Of Colouring
