Love You to the Moon and Back is Kathy Phillips' first book. Kathy's signs (Primitives by Kathy) charmingly express sentiments in a unique, decorative way. In this, her first book, she combines favorite expressions and new graphic images to celebrate love. These thoughtful and sometimes humorous views on romantic love and loving are expressed in a dynamic vintage-looking design style that will appeal to moderns and traditionalists alike. Perfect for Valentine's Day or any day when you want to bring a smile to your love one and let them know just how much you care.

About the AuthorBefore beginning Primitives by Kathy (PBK), Kathy Phillips worked with her mother as a manager of a combination gift shop and art studio. The years spent as a buyer in the gift industry provided the experience she needed as she ventured into the wholesale arena with handmade candle boxes (at that point, her only product). In mid-1997, Kathy took a booth at a trade show and by the end of the show, she had more than \$85,000 in orders for the

wooden candle box. Orders in hand, she went to the bank for a loan to help get her started and on her way to shipping all the orders. A newly divorced mother of two, her personal savings served as a guarantee for that first loan. The rest, as they say, is history. Primitives by Kathy is considered the leader in modern-day primitives.
