Many people have described it otherwise but I don't see it as such. I purchased this for my sister-in-law and husband (he is a pastor); everyone is pretty much getting coloring books this year but I chose a book for each person that they would relate to, something that represents them.0 of 0 people found the following review helpful. Love it!!!By CustomerThis book would make a perfect gift for newly weds and even an anniversary gift for friends. The beautiful images of loving couples allow you

to feel the love projected on the pages. The variety among the couples spending time together and portraying happiness makes me smile. Love it!0 of 0 people found the following review helpful.
