We are 16 going on 24 By Audrey Lubow My daughter LuAnne grew up with Greg Evans ever popular strip, While my Lu has aged gently -- his is still a teen/tween. So many of the issues he writes about in his strip were the same issues we were experiencing in real life. My daughter felt like she was being followed, because this guy knew what was going on in her life at the same time. It was like a ghost writer resided in our home. A lot of fun. 0 of 0 people found the following review helpful. Four Stars By James Hunter Good condition; different price.

I think comic strips can enlighten as well as entertain. Adolescence is a very funny time, except when you're in it. Many teens feel alone in their struggles; I want to show them that adolescence may be scary but it isn't fatal. Finding the humor amid the horror is helpful. "Luann DeGroot is a 16 year old girl who's full of spirited personality-and agonizing confusion. Like all teens, she's happy if she can stumble through a day without totally embarrassing herself. She lives with typical parents and an annoying older brother. Luann and her best buds, Bernice and Delta, along with a lively cast of characters from Pitts School, struggle with the euphoric highs and devastating lows that torment the life

of a contemporary teen. From small events (a pop quiz) to large (a daring fire rescue), Luann 3 delivers the kind of poignant, honest, amusing stories that have made Luann a reader favorite for 21 years. Luann is featured in 400 newspapers worldwide, and LuannsRoom.com receives 80,000 hits a day. Luann consistently ranks in the top five in newspaper surveys and is often number one with female readers. Luann, the Musical, from Pioneer Drama, has been performed by hundreds of theater groups across the country.

About the AuthorBorn, raised, and educated in the Los Angeles area, Evans discovered at an early age that he wanted to be a syndicated cartoonist. He worked as a high school art teacher as well as a graphic artist and a promotion manager for a television station while pursuing his dream of writing a comic strip. After several failed attempts, he was inspired by the antics of his then nine-year-old daughter-and Luann was born. Evans lives with his wife in Southern California.www.comics.com/comics/luann/
