Jeff Lucas : Lucas on Life 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Lucas on Life 2:

Enjoying ChristianityBy Lynnita MattockJeff Lucas loves life and God, and he portrays this in Lucas on Life 2 so well that I was sorry to finish the book. Humor reigns as each story is told, giving the reader a wonderful perspective on Jesus and His gifts to mankind. As Jesus used parables to reveal truths so does Lucas in this enjoyable volume. I'm waiting for Lucas on Life 3!Lynnita Mattock, author of Silent Flight, Devoted Pursuit

Life, as we all know, is never plain sailing. We often struggle through the daily grind with gritted teeth, knowing that somehow, despite our best efforts we never seem to live up to the label 'Christian.' Sometimes or perhaps most of the time, we feel like we'd rather not bother! Well, Jeff has been there and not surprisingly, has faced the same struggles as we do. Lucas on Life 2 is a very personal account of life's ups and downs but has one resounding message?despite everything we do say or think, God still loves us!
