**Ann Hodgman : Lunchroom #2/frog Pun** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lunchroom #2/frog Pun:

When Hollis' principal, Mr. Haypence, gives everyone ballroom dancing lessons Jennifer thinks it would be just great if she and her classmates organized a school dance. But it turns out that only Jennifer thinks it's great. The rest of the gang is ready to do anything they can to wreck her plans. Enter live frogs!
