**John Troy : Lunkers!: Over 120 Hilarious Cartoons about Fishing** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lunkers!: Over 120 Hilarious Cartoons about Fishing:

3 of 3 people found the following review helpful. lunkers by john troyBy todd shulekI recieved this book for my birthday, it is full of wonderfull wit and humor, anyone that goes fishing and is an outdoors man will love it, I laughed very hard and recomend that if their is an outdoors man in the family you should pick one up. Buy one and give it to the library and or the fish and game club, and to doctors who like to go outdoors. todd shulek
