There's somethingBy Elaine D'AgostinoA bit odd and eccentric, yet highly creative F. Gwynplaine Macintyre is an unrecognized genius. In his "Improbable Bestiary" of verse and odes he gives us a delightful romp through his wickedly funny mind. There's something in here for everyone and this reviewer

found "The Thing in the Jar" most memorable to her childhood. In just under 200 pages you can be entertained for days to come. A keeper of a book.0 of 0 people found the following review helpful. Bought a second copy...By Theresa D. WeaverI already had a copy of this book, but chose to buy another because it is out of print since the death of the author. Mr. Macintyre was a genius when it came to poetry, there will never be another like him. If you like off-beat poetry that rhymes and bounces, this one is for you!0 of 0 people found the following review helpful. Finally...By Samiam888I fell in love with MacIntyre's "The Ogre" in The Magazine of Science Fiction and Fantasy... To have not only it, but a bunch of other treasures, all compiled is awesome! --Samiam--

"MacIntyre's Improbably Bestiary is GRAND FUN!" -- Ray Bradbury "F. Gwynplaine MacIntyre is the best darned light-verse writer since Ogden Nash." -- Isaac Asimov "The Improbably Bestiary is wickedly witty and fiendishly clever. I love it!" -- John Brunner "From Bigfoot to Nessie to the Little Green Men, F. Gwynplaine MacIntyre celebrates the monsters of the imagination, exploring the wonder and dread that help make us human." -- David Brin "MacIntyre's Improbable Bestiary reminds me of W.S. Gilbert. Up until now, no other versifier has so deeply sounded the wells of the human funnybone." -- Gene Wolfe "MacIntyre's Improbable Bestiary is always ingenious, always entertaining, and often inspired. The author has a splendid gift for unlikely but satisfying rhymes, apparently without effort. I know of nothing quite like this book in English literature, although there are touches here and there in this book which remind me of Hilaire Belloc, W.S. Gilbert, The Ingoldsby Legends, and Flanders." -- Charles Sheffield
