They seem too simple and childish. My manual dexterity is much better than that and I figured I needed more complex patterns. I recently discovered this book on Madhubani Artforms. I really enjoyed thinking of color patterns and using them in the intricate design work. A truly relaxing exercise!1 of 1 people found the following review helpful. Great qualityBy RamyaI loved this colouring book.It has drawings for both advanced/intrinsic work and simple ones .Great way to keep the madhubani artwork alive!I highly recommended this book!1 of 1 people found the following review helpful. Such a unique coloring book! I love it!By

Coloring With Joy I love this book! All the Madhubani art is gorgeous. I find it's very relaxing to color them, I have always loved the art from India, so I'm excited to be coloring these one of kind hand draw designs, the lines are very clean, I also find the pages to be easy to do but also some challenging pages to. I have recommended this book to a few of my coloring friends already. This book is Unique and so different then what's out there in the adult coloring book world. I was given this book for an honest review. I whole heartedly recommend this one, I have done two pages already and getting ready to do another. Happy coloring!

Eye-catching geometric patterns characterise the traditional art form called Madhubani from the Indian sub-continent. Studio 324 brings you a colouring book that consists of 25 original illustrations that celebrate the traditional art form. Each wonderfully detailed illustration is a work of art to be treasured by keen colourists and art lovers alike, and vary from mildly simple to wildly intricate. Unwind and unleash your creativity into these geometric patterns. Once you're done take a snapshot and share it with us on Instagram with #Studio324Art.

About the Author Studio 324 is an art studio with 3 designers, whose creative minds work 24 hours a day. Each of them brings a unique style to the table. The family based design studio's illustrations are a result of the collaboration of unique artistic voices. Their varied art work can deck up your walls, gadget accessories and home decor.
