Lance Morrow, Nancy Gibbs, Richard Lacayo, Jill Smolowe : Mad Genius: Odyssey, Pursuit Capture of the Unabomber Suspect before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mad Genius: Odyssey, Pursuit Capture of the Unabomber Suspect:

0 of 0 people found the following review helpful. Kazinski BookBy Jack SnarrOne of Kazinski's first bombs was disguised as having been mailed by a close friend and colleague about 35 years ago. The book filled in much of the detail very effectively.0 of 0 people found the following review helpful. UnabomberBy C. BrattonOutdated. It's a collection of Time Magazine articles from the time of the active pursuit of the bomber. I thought it would be more about the man himself.6 of 6 people found the following review helpful. very clear, very informative, very quickly written... :)By Mayer GoldbergIt's clear right from the start that Mad Genius was written in a hurry. The writing is uneven in places, there are stylistic rough edges, but this is no novel, and if Kaczynski would like a nicer biography he'll just have to write one himself. Still, the book is timely, and important, and sufficiently well written to make for easy reading.The book helps answer many questions about the Unabomber:- What are the facts of the case? [not a trivial question for such a protracted case]- What is the Ted Kaczynski's background? Who is he, where did he come from, could anyone have guessed that this is what he was up to?- Why he did it -- motives, frustrations, ideas.And that's basically all that most people will ever want to know about the unabomber and his story. The book will also give you plenty of minutia to relish over, such as his the inventory of his cabin at the time of the arrest, what "technology" (or lack thereof) did he use to assemble his bombs, and it lists his manifesto in full. The book is not expensive and read quickly -- get it, read it, satisfy your morbid curiosity! :)

Mad Genius: Odyssey, Pursuit Capture of the Unabomber Suspect (Mass Market Paperback) by Jill Smolowe
