S SwansonWe were on my vacation and my 17 year old was being especially obnoxious, replying to every inquiry with a smart aleck response.Example-Me: Does anybody have to go to the bathroom?Him-No, we've only been on the road for 10 hours I already went in my pants.He was insufferable....So I remembered those books I used to buy with my allowance when I was a kid back in the seventies. Sure enough I found this one from the sellers and gave it him. He recognized himself immediately and we had some laughs reading it. If he changes his attitude I will be happy, but regardless, Al Jaffee has written a very funny book.0 of 0 people found the following review helpful. Original version of classic "Low Brow" humor text. A real artifact of the 1960's era.
