My 9 year old son loves these jokes!By Miles BakerVery funny, clean, age appropriate jokes for kids. My son laughed out loud at many of the jokes. I also feel that many of the jokes increase my son's vocabulary and understanding as sometimes he'll need to make new insights and connections in order to get the joke. Great for entertainment AND learning!0 of 0 people found the following review helpful. Very clever jokes!By SaigeWhat a fun read! I highly recommend this book for any kid who enjoys jokes, or just laughing. I was glad to see all of the jokes were clean, appropriate and clever humor.
