**Steven A Fenczik : Magic Myth and Monsters Book 2: The fantasy coloring book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Magic Myth and Monsters Book 2: The fantasy coloring book:

Magic, Myth and Monsters Book 2 is the second installment in this wonderful and bizarre series. Follow the lonesome bard on his travels across the strange land known to its people as Pleroma. There are many sights to see and pages to color.

About the Author Steven Fenczik is a Colorado born artist who loves all things out of the ordinary. his work is inspired by his love of history, music, current events and everything in between.
