From Barron's Educational Series : Magical Cats (Pads of Color) before purchasing it in order to gage whether or not it would be worth my time, and all praised Magical Cats (Pads of Color):

New from the popular Pads of Color series! Magical Cats takes two favorite things: coloring and cats, and offers an unforgettable coloring book that combines the best of this magical pair. Intricate patterns and motifs are the stuff that cat lovers' dreams are made of: there are cats at play, cats at rest, headshots of lions and tigers, and much more. Like all of the books in the Pads of Color series, this uniquely formatted adult coloring book resembles a notepad in shape and size, allowing you to do your coloring at home or on the go. It features an attractive foil cover, while inside, colorists will find 80 pages of one-sided illustrations, so today's work of art won't bleed through and ruin tomorrow's masterpiece in waiting! Color them in, decorate them, share them, and frame them for all to see. Each work of art is the cat's meow for feline fans and coloring book buffs alike.
