I am ADDICTED. The pages are filled with art work that you'd actually want to frame and hang on your wall. I would love if their were some more coloring books made involving different cities. Highly recommend whether given as a gift or for yourself!1 of 1 people found the following review helpful. I love this book and every details of each pageBy CustomerI love this book and every details of each page !! Samantha is an amazing artist with such awesome ideas and I absolutely love coloring all my "magical objects "!! I highly recommend this book !!!

A totally sweet urban fantasyland is ready to be explored and brought to life with your gel pens or colored pencils! Within these pages there are wondrous objects, fashionable collections, city streetscapes, and cool patterns that'll help you unwind from the daily hustle. Splash some color on the neighborhood street art, spice up the veggies at the local farmer's market, and beautify the display at a tattoo parlor. From gemstones to ice-cream cones, anything can be magical if you know how to look. So what are you waiting for? Grab some rosé or a latte and #ColorAndChill.
