Artist Tabitha L. Barnett has created yet another beautifully hand drawn adult coloring book for fun and relaxation. There are so many mandala coloring books on the market right now, but none compare to Majestic Mandalas. In volume 2, the designs range from fast and simple to delightfully detailed, so if you're new to adult coloring, or a seasoned artist, there's something for every mandala lover inside. Inside of Majestic Mandalas Volume 2, you'll find even more beautiful mandalas that provide just the right amount of repetition and creativity to color the tension and stress away. You will enjoy EVERY SINGLE PICTURE in this book because unlike your average mandala, each of these unique compositions has it's own specific style and feel. Each image is printed on only one side of 60lb. bright white paper so that you may use any coloring medium that you enjoy. In the back you will find a chart for recording your favorite color blends as well as a few blank pages to use as blotter sheets, to test colors, or keep notes. Simply remove the blotter sheet and place it behind the image you are coloring to protect the next page. Most importantly, relax, have fun and ENJOY!

About the AuthorArtist Tabitha Barnett lives in the Appalachian mountains of southeastern Kentucky with her common law husband, Author Franklin Newberry and their two small children. She had a passion for art at an early age which she continued in through early adulthood. After college, she became very career oriented and drifted away from her artistic abilities.
