N.T.O. Zamboni : Make Fairyland Great Again: Fractured Fables for a National Nightmare before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Fairyland Great Again: Fractured Fables for a National Nightmare:

11 of 12 people found the following review helpful. This would be the perfect holiday gift for all my Trump-hating relatives. By Dragonslayer What happens to Sleeping Beauty in the 'false news' era? Does the slimy frog turn into a handsome prince ... or is there a normalization of amphibians instead? Who exactly does Little Red Riding Hood find in her grandmother's house? These 'bedtime stories' are quick, clever, and horrible. (Avoid if you're triggered by Trump!) A funny, painful read for everyone who is losing faith in fairytale endings. 13 of 14 people found the following review helpful. Funny, Smart, Spot-On By A Girl And A Book As the brilliant and brainy Carrie Fisher says of her childhood, "If it wasn't funny, it would just be true, and that is unacceptable." These spot-on, satirical fables and fairytales are sparklers of humor on a long, dark night. 0 of 0 people found the following review helpful. Whoever wrote the stories to make fun of fge president and his ego crack me up By LLove I read some of the stories and they're very clever. Whoever wrote the stories to make fun of fge president and his ego crack me up.

Normally, fairytales and fables teach important lessons: * Build a house sturdy enough to fend off deplorable wolves. * Don't be tempted by candied false promises. * Beware of golden-haired thieves stealing your porridge. But this is not normal. Trump is not normal. We need updated, 21st-century fairytales to warn against new threats. Tremendous threats. Crude, demented, racist, misogynistic threats. Make Fairyland Great Again is a collection of twenty-one revised folk stories and parables: Sleeping Beauty, the Frog Prince, Ali Baba, Rapunzel, the Pied Piper, the Three Little Pigs, and many more! (However, just like Trump himself, this book is not appropriate for children.)

About the Author N.T.O. Zamboni is an old-fashioned American, with an antiquated dislike of sexual assault, financial scams, and petulant racist fearmongers—not to mention of coordinating with foreign intelligence services to undermine the integrity of an American election. What a lightweight loser. Sad!
