**Roger and Stern, Leonard Price : Mama's Got a Brand New (Diaper) Bag (Adult Mad Libs)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mama's Got a Brand New (Diaper) Bag (Adult Mad Libs):

This was one of three I bought as part of a Valentine's gift package let on the desk of 30 employees. However, I was shocked to see how few people in my office knew what these were and how to do them. My 20-something kids weren't interested in the left-overs, either. Everyone loved playing along. A great learning tool in disguise as fun. The kids loved it and everyone laughed so hard.0 of 0 people found the following review helpful.
