1 of 2 people found the following review helpful. One StarBy Hatem El-ShantiThere is no substance to that book. A rip off!
1 of 3 people found the following review helpful. The truthBy F. L. Lanza MDVery true and funny

The book is the result of years of research. The history contained in these pages is extensive, covering the complete 4000 years of Palestinian history, focusing in their unique culture, art and contributions to the world. The history of the Palestinian People is varied and diverse. Their historic currency, artistic endeavors and music that have contributed to many cultures, the history of their Kings and Emperors, major archaeological finds confirming their documented history, their recorded battles with other nations, their mass conversion to Islam, and their three thousand year fight against the Jews, it is all contained in this exhaustive, colorful and humorous look at their history! Who knows, perhaps what you discover in these 30 massive pages might change all of our lives forever? (Special Note: Political Satire, with real history and truth thrown in)

About the AuthorDr. Marcus Rose is a humorist, satirist and alter-ego of a more mild and unassuming person. His books are intended to bring lighthearted relief to an often too serious world--and sometimes to make a political point.
