Jonathan Lynn, Antony Jay : The Complete Yes Prime Minister before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Yes Prime Minister:

0 of 0 people found the following review helpful. Did not receive the book advertised. I received a ...By jeromeDid not receive the book advertised. I received a book in Russian. I very grudgingly give the one star .1 of 1 people found the following review helpful. BOOKS are even better than the show.By A3It helps - but not essential - to have watched

the showsThe books have more - some of the details were not in the showI find the books great for following Sir Humphrey's legal-speak sentences3 of 3 people found the following review helpful. Something for everyoneBy Three if by SpaceFaithful renderings by the original authors of a consistently funny and even educational series. Those who strongly enjoy reading might even start here, then try the DVD TV series.The "fill" to bridge the original dialog is never particularly new or insightful, but on the other hand, unlike so many transcriptions of movie and TV scripts, it doesn't adversely affect the presentation.There is some humor here for a wide range of tastes. Very highly recommended.

Presented in the form of diaries, official documents, and letters, rather than simply transcribed scripts, this book is a companion to the successful BBC series, "Yes Prime Minister."

"Scalpel-sharp in observation, deceptively simple in construction... at its frequent best Yes Prime Minister exhibits the classical perfection of a Mozart sonata" -- Richard Last * The Times * "Its closely observed portrayal of what goes on in the corridors of power has given me hours of pure joy" -- Rt Hon. Margaret Thatcher MP "Yes Prime Minister is a comedy in a class of its own" -- Celia Brayfield * The Times * "Yes Prime Minister... is not only a continuing marvel of editing by Jonathan Lynn and Antony Jay but also a collector's must" -- John Coldstream * Daily Telegraph *
