**Dr Lachlan Michael Rathie : The Cynical Anaesthetist: A compendium of acronyms, euphemisms and definitions of a medical nature** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cynical Anaesthetist: A compendium of acronyms, euphemisms and definitions of a medical nature:

0 of 0 people found the following review helpful. Five Stars By emmak8 What a great fun read. Some real gems in here.

A compendium of acronyms, euphemisms and alternative definitions of a medical nature. All heavily laced with sarcasm and a trace of wit. An assortment of classic aphorisms is included for good measure. This little book will appeal to all of those health professionals that work in the confines of the operating theatre. There are some pretty pictures and diagrams interspersed throughout for those who have the attention span of an emergency physician and the patience of a surgeon.
