**Andrew Shaffer : The Day of the Donald: Trump Trumps America** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Day of the Donald: Trump Trumps America:

0 of 0 people found the following review helpful. very funny book !By AndreI'm actually writing this review on behalf of my daughter who loved it ! Like a lot of people we are not trump fans (though don't get me wrong some of our best friends are Republicans - yes folks it's possible to maintain friendships with people across political lines ! :P ) ... obviously if you're a Trump fan you won't be a fan of this book but if you're like the many, MANY people who are unhappy with our new president this is definitely good for a laugh :)1 of 1 people found the following review helpful.

Four StarsBy William H CavagnaroGood read. Makes you think about Americas great mistake.4 of 5 people found the following review helpful. Great SatireBy Terry A. HynousI am fully aware of the anger and heated discussions surrounding the presidential election, but if anyone wants to take a break with a little levity, I highly recommend The Day of the Donald. It's a murder mystery, satire, set in the Trump White House. Anti-Trump people will love it, and even Trump supporters with a sense of humor who enjoy satire will enjoy it.Not to spoil the book, but to give an example of its flavor, I'll give two examples: First, when the protagonist dives into the expanded Rose Garden to hide, he discovers the bushes are fake and made in China.Next, the Washington Mall has been converted into a shopping mall where the most prestigious hangout is the Ritz Cracker Barrel. This is the site of a murder of a British spy who is interning at the White House and is poisoned by her sweetened ice tea and dies in spite of being given mouth to mouth by George Clooney.

Summer 2018: Two years into President Donald J. Trump's first term in office, America has never been greater. The Even Greater Wall along the Mexican border is under construction, paid for by Mexico. Americans have more money in their pockets thanks to lower taxes and the president's creative money-raising strategies. (Who else would have thought to pay for FEMA's budget by suing the Catholic Church over property damage caused by acts of God?) And while Trump's detractors may call him a tyrant, the American people love bullies when the victim is Congress: every time they impeach the president, his approval rating skyrockets.Ever conscious of his hugely important historical legacy, The Donald plucks disgraced tabloid reporter Jimmie Bernwood--the man responsible for publishing the infamous Ted Cruz sex tape--from the depths of anonymity to become his official biographer, giving him enviable access to the gold-plated White House and all of its secrets.When Trump's previous biographer turns up dead, Bernwood must do some real investigative reporting, get to the bottom of a long series of murders...and, if it's absolutely unavoidable, save the country. The Day of the Donald is a hilariously hair-raising look at the (possible) future of America.

Praise for The Day of the Donald:"This insta-parody from the author of Fifty Shames of Earl Grey and How to Survive a Sharknado and Other Unnatural Disasters is a clever spoof that, depending on your politics, will make you laugh or cry — or send eerie shivers down your spine... The Day of the Donald perfectly channels Donald Trump's voice, rhetoric and ego."--The Washington Post"Bestseller Shaffer skewers presumptive Republican nominee Donald Trump in this amusing political satire."--Publishers WeeklyPraise for Andrew Shaffer:"Every bit as amusing (and straight-faced) as the film franchise that spawned it."--Entertainment Weekly on How to Survive a Sharknado and Other Unnatural Disasters"Witty... Clever."--USA Today on How to Survive a Sharknado and Other Unnatural Disasters"Funny... Everyone should follow this guy [on Twitter]."--Nicholas Sparks"The literary equivalent of a good Saturday Night Live skit."--The Hollywood Reporter on Fifty Shames of Earl Grey "Laugh out loud... If you are looking for a funny book to share with friends, look no further."--Publishers Weekly on Fifty Shames of Earl Grey"This was a filthy, disgusting piece of perversion and I loved every word."--Jennifer Weiner, #1 New York Times bestselling author of The Next Best Thing on Fifty Shames of Earl Grey"Un-American."--Stephen Colbert on Order of St. Nick greeting cards
