Trump supporters will LOVE this book....Excerpt #1:Pg 3 "A 'Cuckservative' is a republican who enjoys watching his friends on the right, and indeed his entire country, get screwed by the radical left." - Mike cernovich, blogger A Cuckservative is a self-styled conservative who will cravenly

sell-out and undermine his home country's people, culture and National interest in order to win approval with parties hostile or indifferent to them. Pg 4" if ye love wealth better than Liberty, the Tranquility of servitude better than the animating contest of Freedom, go home from us in peace. We ask not your counsels or your arms. Crouch down and lick the hands which feed you. May your chains set lightly upon you, and may posterity forget that you were our countrymen. - Samuel AdamsPg 29"Hitlery is not our Ally. She seeks the throne for herself. Her goal is not the reestablishment of our Republic. No, she wants a crown and she wants to establish a world caliphate and worse, she wants to be the first female to succeed.... as commander of believers"2 of 3 people found the following review helpful. Don't waste your time on The DeplorablesBy T. StoneThis book is poorly written and laden with grammatical errors. It is an extremely thin book..... only 100 pages with print so large you will not need the reading glasses whatsoever. Just a waste of time.

A POLITICAL SATIRE FOR THE 2016 ELECTION. True patriots in a land formerly known as America are resisting the Islamo-Communist World State by uniting under a new American Nationalism. They resist the ridiculous decrees of King Obummer and battle not only his armies, but all the Cuckservative turncoats who want nothing more than to see Dean Triumph and his loyalists put down.
