"The Devil's Dictionary," by Ambrose Bierce, is a satirical book first published in 1911. It offers reinterpretations of terms in the English language which lampoon cant and political double-talk. "The Devil's Dictionary" has inspired many imitations both in its day and more recently. Recent examples include "The Computer Contradictionary" and "The Devil's Dictionary X."

About the AuthorAmbrose Bierce was an American editorialist, journalist, short story writer, fabulist, and satirist.
