Young : The Dictionary of Legal Bullshit before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dictionary of Legal Bullshit:

0 of 0 people found the following review helpful. Five Stars By LanieHolds so true for the use of legalize. The law world Tower of Babel 0 of 0 people found the following review helpful. happy By ValerieGreat2 of 2 people found the following review helpful. a fun read By bookwormI found this book filled with clever wit and tongue in cheek definitions. The taxonomy of lawyer in the appendix is applicable to almost all professions. A totally fun read!

This dictionary of legal terms looks to the plain-English meaning of all the words lawyers, judges and anyone else involved in our legal system feel compelled to use. It provides a humorous resource into this archaic and convoluted

language and is sure to make anyone you know in the legal profession laugh out loud at its accurate absurdity. In *The Dictionary of Legal Bullshit*, you will find the definition of such words as: Bankrupt. The state of being that one attains when the government sticks your creditors with the bill for your extravagant expenditures. Jail. Exclusive public housing with lousy neighbors, no view, poor facilities and one of the highest cost per square foot of any living space ever built; but with slightly less violence and fewer drug dealers than the public housing that is available to the populous at large. Plus, find key Latin translations, like: *Res ipsa loquitur*. Duh. *Res judicata*. You lost, get over it. *Respondet superior*. Sue the one with the most money.

From the Back Cover
Law: Philosophers have spent thousands of years debating what law is. Fortunately, the deep thinkers at major publishers have had their say through their law dictionaries. By inserting one sentence from each philosopher's point of view into their definition, they have clarified the matter greatly. They finally cut to the heart of the matter and reveal to us that law is a body of rules that ". . . have legal force . . ." Bull • shit: Bullshit includes hyperbole, obfuscation, and any other form of deceptive communication. This describes most of what lawyers produce, and it is the reason most people rank lawyers below politicians, prostitutes, and used car dealers on their lists of society's parasites. *The Dictionary of Legal Bullshit* looks to the plain-English meaning of all the words lawyers, judges, law students, and anyone else involved in our legal system feel compelled to use. It provides a humorous look at legal language and is sure to make anyone you know in the legal profession laugh out loud at its accurate profession laugh out loud at its accurate absurdity.
