**Scott Adams : The Dilbert Omnibus: "The Dilbert Principle", "The Dilbert Future" and "The Joy of Work"** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dilbert Omnibus: "The Dilbert Principle", "The Dilbert Future" and "The Joy of Work":

0 of 0 people found the following review helpful. Wonderful, as always By BillBaileyImages I've followed Dilbert cartoons for years and have several of his books already. This is a collection of his three most popular--and as always, hilarious--cubicle-world guides for success. Glad I have added this to my collection. 0 of 0 people found the following review helpful. Still relevant and still Scott Adams's best non cartoon book. By QUOKKA\_54 I have read and re-read this book and even listened to the audio tape, still find it amusing, and the humor and ideas presented here are still

completely valid years later.

At last, in one volume, all three of Scott Adams' bestselling business books; Since 1989, Scott Adams has been illustrating this principle each day, lampooning the corporate world in Dilbert, his enormously popular comic strip. In the potatoshaped, abuse-absorbing Dilbert, he has given voice to the millions of workers the world over buffeted by the many adversities of the workplace. With *The Dilbert Principle*, Adams' produced arguably the most important business book of the 20th century. He followed up with *The Dilbert Future*, a hilarious look at what the future held for hapless office workers everywhere and finished off his business trilogy with *The Joy of Work*, a joyously cynical look at the workplace. They are now at last available in one volume, *The Dilbert Omnibus*.

'The Dilbert Principle: The most ineffective workers will be systematically moved to the place where they can do the least damage -- management.' About the Author Scott Adams, the author, spent nine years as a necktie-wearing, corporate victim assigned to cubicle 4S700R at the headquarters of Pacific Bell. He escaped and now lives in northern California.
