**Charles M. Schulz : The Dirt on Pigpen** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dirt on Pigpen:

He's comfortable being Pig Pen, and he doesn't try to be anyone else.0 of 0 people found the following review helpful. Five StarsBy VAExcellent! Thank you!!0 of 1 people found the following review helpful. Didn't realize it was all comic stripsBy Jay S.Purchased this for a report my son was doing on a Peanuts character. I assumed it was more of a kids story book, but it is a compilation of Pig Pen comic strips. He still loved it and we made it work, but thought it would be helpful to know it isn't a story book.

Laughter to Laughter, Dust to Dust!It's not dirt, claims Pigpen, but rather the dust of ancient civilizations that clings to him like Linus to his blanket. Filthy or not, get ready to have a ball (dust ball?) with everyone's favorite grubby boy! Join Pigpen and his pals - including Charlie Brown, Snoopy, Lucy, and the whole crew - as they venture through life with nary a bar of soap in sight. Would you even recognize Pigpen without his dust cloud? No matter what, with

Pigpen around, it's always good clean fun!
