Excellent book for reading in those quiet moments and a must for the guest library (in England this is normally in the guests loo !). Good for speechwriters, presenters and bonding sessions. Well done and can we have Vol 2 please.1 of 1 people found the following review helpful. These are the funniest jokes I have ever read.By A CustomerEverybody needs a good laugh once in awhile. "The Dirty Joke Book" Volume 1 - Pig Laffs contains the funniest jokes I have ever read. I took it to Chicago for my family to read and we all laughed quite a bit. Even my mother, who is so uptight really got a kick out of it.1 of 1 people found the following review helpful. Excellent! I Can't Stop Laughing!By Ian WurthAn excellent collection of dirty jokes. Its sooooo funny! A great read, a great gift, or bring it to a party. Very politically incorrect. --- also I love the R. Crumb cover illustration. (ok, Kathy Shelly lets see Vol. 2)

Kathy and Shelly bring you this collection of one-off jokes from all around the world. Inside are side-splittingly funny farm jokes, laugh-out-loud one liners, and politically incorrect jokes that make even the straightest stiff crack a smile. Not too off-color, but definately not for children. And, yes, the cover is a Robert Crumb exclusive!
