Linda Barth : The Distinctive Book of Redneck Baby Names before purchasing it in order to gage whether or not it would be worth my time, and all praised The Distinctive Book of Redneck Baby Names:

6 of 6 people found the following review helpful. Funny if you're from the southeast and over 40.By A CustomerFor people whose roots are from the Carolina Piedmont through east Texas, and between Louisville and the Gulf Coast. It's heavier on really southern names than Upper South names. Funny but not mean. I went to grade school and church with these names when I was a child. Features the adventures of Fern, Vern, and their bowling trophies, among other "real" meanings of names5 of 6 people found the following review helpful. A must-read for those who take baby-naming too seriously!By A CustomerThis book is absolutely hilarious - especially for soon-to-be parents who are reading baby books with highlighters in hand. It provides great descriptions of redneck names, and the way your child may turn out if given such a name. Great gift for all expectant couples!2 of 3 people found the following review helpful. Dang funnyBy Ken McKaba (kenm@miramarsys.com)A great book. It is brought out often and more than one guest has sat for quite a while reading each name and description out loud. I buy it for anyone I hear of expecting a child.

"Somehow names like Ashley, Michael, or Elizabeth seem a little too stiff, a little too formal for a wild and woolly world filled with tractor pulls, trailer parks, and 'Dukes of Hazzard' reruns." So how about calling the new babe Buddy,

Fern, or Billy Bob? Rednecks are coming into their own. This book is sure to be a hit with expectant redneck couples.
