A great addition to the work play collection.0 of 0 people found the following review helpful. The Doctor is inBy Elizabeth GulleyI had this book in paperback and loaned it to someone - never came back. When I saw it on your website I ordered the hardback copy. It is a great help.0 of 0 people found the following review helpful. The Doctor Is In(sane)By LiberaceThe book was in 'new condition'. This was important, as I wanted it as a gift to my doctor son. And it arrived almost immediately, much sooner than expected.Great review from me!!

Is there a doctor in the house! You bet. It's the world famous surgeon--none other that the irreverent beagle--making his way to the operating room. This surgeon knows that a great doctor dispenses lots of sage advice along with "and drink lots of water." Enjoy Snoopy's canine perspective on this most esteemed profession.
