Award winning author of THE MACHINE Trilogy and Newly Street, D G Jones once again donates one of his short stories for charity to raise money for one of his favourite causes, homelessness. "The Doctor Who Fan Massacre was originally one of the Thaylian Asylum stories, but a friend convinced me to release it separately for charity, so here it is, if you enjoy it, please tell the world and we can raise some money to help those dealing with the hell of homelessness. Much love and big thanks." D G Jones 01/02/2014 Contains Adult Humour Please note this is a one off short story and all profits go to helping the homeless.
