**The Smoking Gun : The Dog Dialed 911: A Book of Lists from The Smoking Gun** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dog Dialed 911: A Book of Lists from The Smoking Gun:

7 of 9 people found the following review helpful. Between lame and badBy Colonel JennaI was very disappointed in this book. Much of the material was rather lame although I liked the "stupid criminal" material. Particularly offensive to me was the celebrity information, which was largely stuff that would not intrest anyone in the least if it involved an 'ordinary' citizen. It struck me as rather intrusive and rude to make money putting into print things that are technically public domain but is really stuff that isn't anyone's business or of intrest except to the celebrity-obsessed. This is a philosophical point that not everyone shares. But even if you like celebrity dirty laundry, most of this was the equivalent of once-worn plain white tshirts, not tawdry lace undies or blood-splattered clothing.0 of 0 people found the following review helpful. Five StarsBy jstein53@yahoo.comVery nice book, exactly what I wanted, perfect

transaction! Fast delivery. 3 of 4 people found the following review helpful. Funny and Horrifying By R. Lynn  
Some parts of the book are hysterically funny, some parts were horrifying (excerpts of a child's testimony from the Michael Jackson molestation trial), and I wasn't sure why some parts were included at all. I enjoyed the book, but felt it could have been better edited and/or explained in some places. I also felt that some articles were included merely for shock value. It doesn't measure up to the huge amount of hype I've seen in reviews, which absolutely raved about the book. But I did appreciate it for making me laugh out loud.

An all-new book from the creators of the hugely popular web site [thesmokinggun.com](http://thesmokinggun.com). The most hilarious and outrageous true stories uncovered in ten years (almost) of the world's funniest investigative reporting.

About the Author: Bastone is an investigator/reporter for the Village Voice. Green is a freelance journalist.
