**Dr. David Brunner, Sam Stall : The Dog Owner's Maintenance Log: A Record of Your Canine's Performance (Owner's and Instruction Manual)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dog Owner's Maintenance Log: A Record of Your Canine's Performance (Owner's and Instruction Manual):

1 of 1 people found the following review helpful. Not what I was expecting from a Dog "Maintenance" Log By M Gillette I was expecting a veterinary record maintenance log book in which I could document specifics about each vet visit. If you are looking for something in which you can include detailed information about each and every vet visit this isn't the right maintenance book for you. This book would be great to have handy for dog sitters to get a high level

perspective of your dog, which for me isn't what I needed.4 of 4 people found the following review helpful. Great dog journalBy CRRLooked for something like this for over 6 months before I found this one. It seems to be hard to find (out of print?) but it's a nice, easy to use journal for keeping track of the usual things with a dog, plus some fun humor thrown in. I expect to get much use from this over the life of our pup.2 of 2 people found the following review helpful. Baby book for poochBy A.M.Great to keep important information handy for the dog. I bring it with me to vet visits. I wish the section to keep important documents was larger/more sturdy.

**Important: Please Read Before Proceeding Use The Dog Owner's Maintenance Log to monitor the performance and operation of your canine. Please document every visit to your service provider. Please record all medications administered to the canine. It is important to attach photographic evidence of the canine on the specially marked pages herein. The extended warranty will not be honored without these materials. Additional paperwork and receipts can be stored in the provided envelope. In the event of a malfunction, please bring this entire notebook to your service provider. Thank you for your cooperation.**
