Simon White : The effing c-word: Cricket: a user's guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The effing c-word: Cricket: a user's guide:

0 of 0 people found the following review helpful. Terrific BookBy kwhite This is my favorite cricket book so far. The title is how the author's wife refers to his beloved sport. A very enjoyable mix of cricket laws, history, politics and Simon White's romance with cricket as both a spectator and participant. The book would get five stars on the basis of the extensive and very informative "Glossary and Jargon Buster" which takes up about a third of the book. Highly

recommended. 0 of 0 people found the following review helpful. Big hit
By Pete I found this book utterly charming, from the way it was written to the pin-sharp observations. It's addictively easy to read and packed full of witty gems that had me nodding my head in agreement and laughing out loud. The bitter-sweet pursuit of cricket is perfectly captured within its pages. Easy five stars.

Shortlisted for The Guardian 'The Spin' Cricket book of the year "All the richness of the game in one witty little book. None have done it better." Andy Bull, The Guardian "Funny, infectious and richly enjoyable." Rob Smyth, The Guardian "One of my favourite books of the last year." Mike Selvey, The Guardian The effing c-word explores the enormous fun and marital strife to be found in playing village cricket, and its relationship to the big, cash-hungry international roadshow of the professional game. As much for the casual fan as the obsessive player, The effing c-word touches on everything from the aesthetics to the psychology of the game, by way of its language, physics, people, media, laws, history, and of course the famous 'spirit' of cricket. The comprehensive glossary is as entertaining as it is exhaustive. "The effing c-word crackles with wit and wisdom, often in the same sentence." David Emery, Editor, The Cricket Paper "Great fun and full of passion. And I thought I was a cricket nut!" Lawrence Booth, Editor, Wisden Cricketers' Almanack "A very funny take on our exhaustingly wonderful sport." Andrew Miller, Editor, The Cricketer "A paeon to the game, White shows impressive zeal in covering his subject." Alan Gardner, Cricinfo "A lot of fun! For cricket nuts!" David 'Bumble' Lloyd, Sky Sports "If you in anyway like cricket you should buy this book. You really should. I loved it." Lizzy Ammon, Spin Cricket "2012's answer to Rain Men, and @siwhite0 is a lovely man - buy it now!" Dan Norcross, Founder, Test Match Sofa
