paper. I imagine Garfield creator and his publisher must have by now accumulated enough wealth from Garfield series and perhaps should give Garfield fans a break.0 of 0 people found the following review helpful. And you'll be sure to get the last laugh!

From the PublisherA few months after settling in to my new job as a Copy Assistant here at Ballantine Books, I got to dive into the fun stuff: writing cover copy. And not just any cover copy. My inaugural copy-writing assignment was the Garfield Fat Cat 3-Pack #8. I can't imagine a more pleasurable task! I combed through the hundreds of cartoons compiled for the book, laughing a lot as I looked for those classic tubby tabby moments that would translate well into copy for the back cover. After I had written the copy, my job got even better--I got to chose the funny cartoon frames that were to join the copy on the back cover to complete the package. When I told my friends what I was doing, no one could believe it: I was getting paid to read Garfield!! This collection remains one of my favorites.--Cassie Nylen, Copy Assistant

He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
