Ms Cameo Anderson : The Everything Butt Activity Book: Draw butts, color butts, butt themed puzzles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Everything Butt Activity Book: Draw butts, color butts, butt themed puzzles:

Cheeky jokes and bum puns abound in this ridiculous butt-based activity book for all ages. If you or someone you know is incredibly immature, this may be just the perfect book! This is our second coloring book. It will take a total dorkwad to appreciate it.

About the AuthorIt takes a real dingle-berry to put together a tush-tome like this. It will take real dingle-berries to
