Dave Walker : The Exciting World of Churchgoing: A Dave Walker Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Exciting World of Churchgoing: A Dave Walker Guide:

Dave Walker, a thirty-something cartoonist, web editor and former church and community youth worker has become the UK'S leading cartoon commentator on the state of the Church (local and national). His Guide to the Church cartoons appear weekly in the Church Times, and on the paper's daily blog, and many more can be found on Dave's

website, www.cartoonchurch.com This is his third collection of cartoons. His first cartoon collection reprinted within three months and is now in its third printing. His second collection is in its second printing. His many fans will love this third volume with its Tweeting bishops, its sociological study of the average Lent group, its handy guide to weighing up the respective merits of going to a church service vs. an Alpha course, and a great deal more.

'Walker's laterally thinking humour shows an intimate knowledge of the sometimes strange behaviour of us church folk. I haven't laughed so much for ages ... An excellent Christmas present for almost any churchgoer.' (John Henderson)... slightly irreverent, but very humorous ... If you have friends who think church is dull and boring, and wonder what you see in attending, then this might just settle their minds once and for all. Alternatively keep a copy in your smallest room and listen out for the guffaws.' About the Author Dave Walker started drawing cartoons in lectures at Bible College. He now enjoys a huge following via the Church Times, his website, www.cartoonchurch.com, and the Church Times blog www.churchtimes.co.uk/blog Formerly a church youth worker, he lives in Essex.
