THEY ARE SO FUN AND YOU CAN EXPERIMENT WITH SHADING, BLENDING, AND MIXING COLORS FOR THE FAIRIES. VERY FAMILY FRIENDLY...SO GET THE KIDS AND SPEND SOME TIME COLORING, TALKING, AND MAKING MEMORIES. 0 of 0 people found the following review helpful. Five Stars By Customer Had never tried a greyscale before but I absolutely love this book. 2 of 2 people found the following review helpful. I love, love this book!!!! By Eva Roach I love this book, this is a beautiful book, the greyscale is perfect. I have the 1st book and am enjoying coloring The Faeries of Waterlily Woods. This was published by createspace/. This paper is thin white paper, with

medium tooth. These pictures are woven into a charming story with beautiful pictures. If you are struggling with coloring and shading, greyscale can really help. This paper takes colored pencils, but if you are going to use any other medium, use a blotter to protect the pages underneath, this paper is one sided. This makes it easier, but you need to be careful because the paper will pill. You will not regret buying this wonderful book. I give this book 5 beautiful stars.

A fairy story and colouring book in one! The greyscale edition of this charming book will have you colouring like a pro in no time. Immerse yourself in the fantasy Wonderland of Waterlily Woods. Imagine a child's delight as the tale unfolds with your colourings. A book to be treasured. The Fairy Story is included in the book as you get to know the delightful characters such as: Aqualina the Mermaid; Tealani the beautiful pixie who loves to drink tea from the finest china tea set and eat sweet treats with her friends on the lily pads; Dragonfliella who glows as she darts around and plays with the dragonflies in Waterlily Woods and many more... This greyscale edition of the best selling adult colouring book will enable you to achieve professional looking colourings as all of the shading is provided for you in these delightful fantasy illustrations by Australian artist Lesley Smitheringale. 25 single sided pages to colour including 8 bookmarks to make as gifts! Please note that the paper is medium to thin and out of my control. If paper thickness is important to you please seek the more expensive and deluxe artist edition of this book in my Colouring and Tangling Shop on Etsy or in my Website Shop at www.colouringandtangling.com I can't wait to see your colourings.... About the Author Lesley's art journey has taken her along several paths since graduating from Glasgow School of Art with a BA Honours in Design. Originally from Glasgow in Scotland, Lesley went on to become an art teacher and has been an art educator for over 20 years both in Scotland and Australia where she now resides. Lesley is currently producing fine art, photographic prints, and illustrations. This has led to combining digital media into the mix to produce a range of hand-crafted products, created in her home studio in the Redlands area of Queensland, which she sells in her online Shops. As an accomplished artist and educator, the progression to writing and illustrating books was inevitable as Lesley has a strong desire to share her passion for the visual arts and the techniques she has learned on her own art journey. If you love to colour and tangle Lesley runs a website with an online shop chock full of goodies. Visit the website at <http://www.colouringandtangling.com>
