As short as it is, it still takes some time to get through because it's tough to absorb more than 20-30 pages at a time. Some brilliant quotes though. "The lowest man in the social scale still has his wife or his child. If he's unmarried, a dog. The essential thing, after all, is being able to get angry with someone who has no right to talk back." I personally enjoyed Camus' novels better such as "The Stranger" and "The Plague."0 of 0 people found the following review helpful.
