An intriguing glimpse into the past and the beyondBy CustomerThis intriguing book of short stories from times past brings back memories and raises questions that go beyond logical explanation. Are there connections to relatives long gone from this earth? The writers style is like listening to the folks portrayed within the stories...humorous...curious...and down right hair raising at times... Ghosts, magic and sixth senses are woven into this literary journey through the back roads of the south. A wonderful collection of stories for anyone who has even the slightest interest in the past or abnormal occurrences. Enjoyable for all ages. My twelve year old devoured the book in one reading...my 87 year old grandmother enjoyed reliving her past... A must read!1 of 1 people found the following review helpful. A BOOK OF FAMILY TREASURESBy Jennifer GarrettPHYLLIS HOLLAND SWEEPS YOU INTO HER FAMILY HISTORY AND THE STORIES AND FOLKLORE OF THE OLDEN DAYS OF SOUTH GEORGIA IN THIS WONDERFUL BOOK OF SHORT STORIES.
