**Don Everts : The Fingerless Lady Living in My Head: One Guy's Musings About Tolerance (One Guy's Head)**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Fingerless Lady Living in My Head: One Guy's Musings About Tolerance (One Guy's Head):

In this visit to Don Everts's head, you'll meet The Fingerless Lady. She's rather attractive, very popular and always smiling, giving everybody the thumbs-up. She loves to tell her inspiring story of climbing a mountain, a beautiful mountain that might look different from different sides but is still all the same mountain. But despite her warm affirmations and sugary voice, she's also a little creepy, with stubs where her fingers used to be. . . . The Fingerless Lady has many friends, of course, like Conflict Is Always Bed and All Religions Are The Same. But other ideas like Existentialism and Tragedy have some sharp questions for her. Can her philosophy withstand the scrutiny?

About the Author Don Everts has worked on college campuses for InterVarsity Christian Fellowship/USA since 1994. Currently an area director with InterVarsity, he is based in Boulder, Colorado. His books include Jesus with Dirty Feet, The Smell of Sin, God in the Flesh and Getting Your Feet Dirty.
