Mr. Jonathan Jay Brandstater : The Funky Funny Fish Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Funky Funny Fish Coloring Book:

The Funky Funny Fish Coloring Book may accompany a similar book called Funny Funky Fish or stand on its own. Most of the characters in the coloring book are also in Funny Funky Fish but there are additional characters as well. The Funky Funny Fish Coloring Book includes a series of 32 drawings of original characters. Most are combinations of fish and other animals but a few are combinations of fish with objects such as tools, the moon and a peanut. All

characters are the products of the author's imagination. In addition, he has created all the drawings, as well as the image on the front cover. The genre of this book besides being a coloring book, is humor and features word play, especially puns.

About the Author Jonathan J. Brandstater makes his home in South Florida. His hobbies include writing, drawing, painting, sculpting and making music. His favorite genre of books is humor. Mr. Brandstater draws inspiration from authors such as Dr. Seuss, Maurice Sendak and Douglas Adams.
