YES especially YOURS ... a book that truly helps make the world a saner place and as I've already said ... FOR ALL YOUR ILL'S LAUGHTER !!!0 of 0 people found the following review helpful. It's a real 'cheer-up hut'By David Ross LLOYDA great book for busy people who enjoy a good laugh. The sort of book best kept close at hand for the spare moment.2 of 2 people found the following review helpful. Worthy of 5 STARSBy Grant GreenThis book is BIG at 550 pages. I really enjoyed it, mostly because it made

me laugh, but also because of the quality of the people that they chose. There must be 300+ contributors, with some of their most memorable quotes from Oscar Wilde right up to modern day folk like Bill Hicks and even Ellen. I found myself reading this book most mornings over a cup of tea, with a pen in hand marking the ones that cracked me up, for future reference. I also found myself reading some of the really funny ones to friends, while on the phone. One fringe benefit for me was tuning in to some names of people who I LOVED their quotes but had never heard of their work...it made me look into their work and find more interesting books, music and output. Very well put together, in sections/topics, nice BIG FONT = easy to read. Highly recommended if you want to laugh, think a bit...and don't have time to read a whole book in one sitting.

Whether for the loo or bedside entertainment or as a work of reference or self-improvement *The Funniest Thing You Never Said* is the best humorous quote book there is - a one-stop shop.
